STUDENT LIFE

Outside of the classroom, HSE students are incredibly active. Student clubs span everything from newspapers and magazines to performing arts to debating to the outdoors.

- **HSE Talks** is a platform for students to deliver mini lectures to their peers, about everything from fighting procrastination to writing like a journalist.
- **X-Sports Club** organizes expeditions open to all students, including hiking in the Caucasus and surfing in Morocco.
- Volunteering is very popular among students. Two clubs, **Open Your Eyes** and **ICEF Outreach**, raise money and organize visits and events for orphanages, nursing homes, and shelters.
- Students can develop their ideas to early stage startups with the help of **HSE Business Incubator**.
- **Green HSE** is a movement of conscious and responsible people who aim to make our university the most environmentally friendly university in Russia.

CELEBRATIONS

The beginning of the academic year is marked by HSE Day, which since 2011 has been held in Moscow's iconic Gorky Park. More than 5,000 students attended HSE's 2015 Graduation Party, which was Star Wars-themed and featured speeches by university "elders" and intergalactic dancing all night long.

BUDDIES

HSE's Buddies Network is a group of Russian students who volunteer to help international students adapt to life at HSE and in Moscow. They will meet you when you arrive, help you find your way around campus, and share with you their favorite restaurants and secret spots that only locals know. HSE Buddies officially proclaimed the part of Erasmus Student Network (ESN).

CAFETERIAS

HSE has cafeterias throughout its buildings that serve breakfast, lunch, and dinner. You can expect Russian classics like salat vinegret (a salad of beets, carrots, potatoes, and peas), buckwheat, and medovik (honey layer cake), dishes from Central Asia and the Caucasus, like manti (dumplings) and khachapuri (cheese bread), as well as international staples like lasagna and beef stir-fry. Vegetarian options are always available.

LIBRARIES

HSE students have access to our five Moscow libraries with the extensive collections. HSE also provides on- and off-campus access to the most extensive collection of international electronic resources in Russia.
