Master's Studies at HSE University

5

campuses

Moscow
St. Petersburg
Nizhny Novgorod
Perm
Online Campus

800+

scholarships and grants

25–100%

tuition covered through scholarships and grants

An HSE University diploma is recognized worldwide and can help you to pursue further studies or build career abroad

HSE University faculties regularly start up joint departments with well-known international and Russian companies

Fundamental and applied research (from historical analysis to engineering and aerospace studies) at hundreds of academic institutions, centres and labs

English-taught programmes and international laboratories headed by top international academics

Opportunities to continue graduate studies at HSE University's doctoral schools or those of other academic institutions

HSE Business Incubator, Career Development Centre, job fairs, internships and work placements

How to apply

All documents may be submitted online.
The application process is entirely free.

Create a personal account at: admissions.hse.ru/en

- ✓ Select a maximum of two degree programmes
- ✓ Fill in an online application in your personal account
- ✓ Upload your portfolio
- ✓ Wait for the results in your personal account (within two weeks) and provide your consent for studies
- ✓ Submit necessary documents (Step 4 at admissions.hse.ru/en)

To be eligible for HSE University's scholarships, you must receive a minimum grade of 55 points on your portfolio assessment.

Deadline for submitting applications for respective competitions for international applicants is **by August 11, 2024**.

Please note that you need to upload your portfolio to your personal account **before August 15, 2024** (or, to receive a scholarship – before April 1, 2024).

Start of academic year is **September 1, 2024** (or October 1 for certain programmes).

Find out more about admissions to HSE University at: admissions.hse.ru/en

Scholarships and grants

Every year, international students can receive a wide range of grants and scholarships, which may partially or entirely cover tuition costs. Please note that scholarships are not available for all degree programmes.
